- The month's objective was not obtained by most of the patrols. The Eagle Patrol has the finished product and turned it in on time.
1. Planning process: During evaluation it was noted that closer supervision was needed.
 2. What went wrong: patrol leaders needed to keep group on topic.
 3. Controlled environment: keep patrols in different places in order to work on the task at hand.
 4. Need to clearly define leadership.
- For the month of June---needed to have Merit Badges done and work was to be done on them during the month.
- June meetings Work on Merit Badges that were designed. Merit Badges need to be done by June 24th may require patrol meetings to meet the deadline.
- To meet the deadline:
1. Define leadership
 2. Needs to be fun
 3. Separate meeting places
 4. Adult background help
 5. SPL will straighten out patrol disorder (chaos)
 6. If you don't want to work on merit badge, an alternative will be found
 7. The reward is having a unique merit badge
 8. Have focus and goal in sight
- Mr. Field Need to work out problems from troop meetings at future SPL meetings. Think about how to make the meetings better.
