

SPL NOTES October 6, 2005

October Theme: Aviation

1st Troop Yard Sale (rain date is the 8th)

6th SPL meeting. 7 pm

7th-9th Fall Camporee at Bealeton Airport

**13th Opening: Panthers
Closing: Eagles**

Iain McPherson will explain the Principals of Flight.
Each Patrol will design an airplane which they will meet and build during the week before the next meeting on the 20th.

Rules for making an airplane:

- 1. Minimum wing span = 1 $\frac{1}{2}$ feet**
- 2. No store bought kits**
- 3. Three flights for each patrol**

15th 10:00 a.m. Meet at the Church to finish the Monkey Bridge. Lunch---from home or it was talked about to bring \$5.00 for pizza.

**20th Opening: Arrows
Closing: Indians**

Each Patrol will show off their planes in a contest that test distances and accuracy.

Visitation by Pack 1196: Build paper planes with the Webeloes and also show them the Monkey Bridge that was built by the troop. Brian Kidwell will bring paper and a Design book for Paper Airplanes.

Andrew Farrar, Andrew Dexter, and Mike Jones will plan a hiking campout. The hike will be about five miles. They will bring their ideas to the meeting.
